ADDITIONAL INFORMATION (applicable depending on the services outlined on the Custom Tour Proposal)

Hotels listed on Proposal: Listed hotels are a guideline only. Hotels may change, depending on availability at the time of booking.

Train Travel: If your program includes travel by train: Included in the price is the seating/rail car class as outlined on the Custom Tour Proposal. Seating/rail car upgrades might be available.

Road Travel / Travel by Rental Car: If your program includes a rental car: The car included is with Avis Alaska, our preferred car rental partner. The number of included rental days is listed on the Custom Tour Proposal. Rental cars are booked based on 24-hour periods. If you pick up your car upon arrival in Alaska, please advise your flight arrival and departure times as soon as you have booked your flights so that we can include the correct number of car rental days. If we do not receive your flight details at least 30 days prior to your tour, there may be change fees required to adjust your reservation. If you discover during your tour that you have an extra rental day that will not be used, it will not be refundable at that point. If you keep the rental car longer than planned, the additional daily fee will be higher than our advance booking rate, which would be paid directly to Avis.

Weather conditions: Weather in Alaska is constantly changing and unpredictable. Unless deemed unsafe to operate by the tour supplier, tours will operate in rain or shine. Please be prepared for all weather conditions.
- **Small Planes:** Any tours with small planes such as flightseeing, bear viewing tours, fly-out fishing tours are weather dependent and could be cancelled at the last minute due to unsafe flying conditions.
- **Trips on the water:** Any tours operating on the water such as fishing trips, rafting, jetboat or other boat tours are subject to river/water conditions and could be cancelled at the last minute due unsafe conditions.
- **Northern Lights / Aurora:** Northern lights viewing is dependent on weather and Aurora activity and cannot be guaranteed.

Cancellation Terms and Change Fees: Cancellation fees are based on first date of service. Special reservation terms and cancellation fees apply to programs that include special experiences, lodge stays, bear viewing trips and multi day cruises. Our general booking terms can be found on our website www.alaskatours.com/terms.aspx.

Special Terms: If your program has special reservation and cancellation terms you will be notified in the email we send with this proposal.

Please note that these cancellation fees will apply in any event and no matter what the reason for a potential cancellation may be. That includes but is not limited to flight cancellations of your flight to Alaska, travel restrictions, illness or health concerns as well as family emergencies.

TRAVEL INSURANCE
Unforeseen circumstances happen. Therefore, we STRONGLY recommend the purchase of travel insurance. Typically, travel insurance must be

purchased within 14 days of initial tour deposit. We recommend AON Travel Protection Insurance plans (U.S. residents only) www.alaskatours.com/alaska-vacation-travel-insurance/ but you can purchase travel insurance through any insurance company of your choice.
